OF THE UNITED STATES OF AMERICA

Minnesota Chapter

Dear Members and Supporters;

As we step into a new year filled with hope and possibilities, we invite you to join us in supporting the dreams and goals of the United Nations through the United Nations Association of Minnesota (UNA-MN). At UNA-MN, we are dedicated to educating, inspiring, and mobilizing Minnesotans to support the principles and vital work of the United Nations and its Agencies.

UNA-MN is a nonpartisan, 501c3 organization dedicated to educating, inspiring, and mobilizing Minnesotans on the importance of international cooperation in an increasingly globalized world.

Founded in 1948 as the Harold E. Stassen division of the United Nations Association of the United States, it is now a program of the United Nations Foundation. UNA-MN supports the principles of the United Nations and advocates for strong US global leadership.

Your generous contribution plays a vital role in helping us continue this important work. With your support, we can:

- **Deliver impactful programs year-round**, such as educational seminars, community forums, and events that foster global awareness.
- **Build a stronger connection** between Minnesota and the goals of the United Nations empowering our local communities to make a global impact.

Donate today and be part of this mission of hope and change. Visit the UNA-MN website at [UNAMN.org](https://unamn.org) or mail your contribution to:
